Therapy

Howard engaged extremely well in his 1:1 OT session using the Sensory Integration equipment to help him to regulate and then participate in activities to further develop his fine and gross motor skills. Well done, Howard. *Claire Messom, Lead Occupational Therapist*

Thiago engaged really well in his Speech Therapy session this week! He showed some great attention to the attention building activities and was really interested in watching us create ‘Space’ in a hula hoop by pouring in black water and shaking glitter on top to make the stars. Great work, Thiago!
Claire Brown, Speech and Language Therapist
