

PAPILLON HOUSE SCHOOL NEWSLETTER

19 March 2021

Dear Parents

It has been lovely having the children back in what continues to be a difficult time. The children are continuing to deal with the changes around school very well.

World Book Day

On Thursday, 4 March 2021 Papillon celebrated World Book Day and it was lovely to see the children in their costumes and embracing the day around books and stories. Please enjoy the photos that are attached.

Red nose day

Today the children have taken part in a sponsored one mile walk. Each class took their turn walking around the school grounds six times in their relevant bubbles. Some children dressed up in red clothing to raise additional funds. So far we have raised over £100 which is amazing so thank you very much.

Healthy School Status

We are delighted to tell you that we are now working towards achieving a healthy school status. This will involve three main areas of focus: healthy eating, physical activity and emotional wellbeing of our pupils. Of course, we already work towards these areas, however, we want to improve on our practices and will need your help to do this. Please find attached a questionnaire that we would like you to complete and return to us as soon as possible so that we can have updated information that would help us make changes if needed and help support our school in gaining healthy school status. Thank you for your support and although this will be a long term project, we will keep you updated on the progress we make.

Community Visits

During the last week of this term our mini buses will be back on the road and taking the children on short journeys to outdoor community visits only but we are anticipating that in the beginning of the next term we will be resuming cycling and pony care at horse riding. We are waiting for an update on swimming.

Update on Covid

Just to keep you updated, we currently have no staff or pupils with Covid or isolating. This really is good news and hopefully it will continue and we can get back to some normality in the near future.

Absence from School

Please remember if your child/young person is unable to attend school you are required to inform the school office and provide us with a reason why they are not attending school that day. It is your responsibility to let us know as early as possible.

Diary Dates

Below is a list of events taking place this term. I will send you further information nearer the time.
